

FAWAD IQBAL

Software Engineer

A dedicated student in the Bachelor of Software Engineering program with a fervent passion for technology and innovation. Specializing in web development, particularly with expertise in MERN Stack and Next.js, I am driven by a desire to create impactful digital solutions. Additionally, I possess a strong background in mobile app development and embedded programming. Hailing from Buner, KPK, I am deeply committed to academic excellence while maintaining a connection to my roots. Eager to contribute my skills and knowledge to drive technological advancements and make a meaningful impact in the industry.
